On behalf of the National Law Enforcement Officers Memorial Fund, I want to thank you, as well as all of the climbers, who both organized and participated in the 2015 Dallas 9/11 Memorial Stair Climb. We were honored to have been selected to receive a grand total of \$1,375.98 as a direct result of your combined efforts.

The Memorial Fund has been dedicated to honoring the service and sacrifice of America's law enforcement officers, promoting officer safety, and increasing public support for the profession of law enforcement since our founding in 1984. Currently, the most significant effort that will help expand the Fund's achievement of these noble ends is embodied by the ongoing development and forthcoming construction of the National Law Enforcement Museum to be built in downtown Washington, DC.

Slated for construction directly across E Street from the National Law Enforcement Officers Memorial, this world-class museum will tell the story of American law enforcement through interactive exhibits, expansive collections, scholarly research, and both public and professional education programs. Engaging the broadest possible audience, the Museum will serve as a Nationally-recognized platform to foster mutual respect and cooperation between the public and their law enforcement professionals. Establishing this destination in our Nation's Capital will not only serve to educate the public about the important role of law enforcement- both past and present- but will also help build awareness that will contribute to a safer society.

While we have come a great distance during this development process, turning the dream that is represented by the National Law Enforcement Museum into a reality requires a great deal of ongoing financial support. The funds raised by the participants and organizers of the 2015 Dallas 9/ 11 Memorial Stair Climb have been directed towards the ongoing development and future construction of the Museum.

Again, thank you and all those who have participated in the Climb to further support the Memorial Fund. Your efforts join those of the hundreds of thousands of other supporters who will continue to help us turn this dream of a Museum into a reality.

*Many thanks for  
this generous gift!*

Sincerely,  
  
CRAIG W. FLOYD  
President & CEO
